

AVIWEST RENTAL

Rent AVIWEST to cover any event, any time, anywhere!

News is unpredictable

AVIWEST offers rental services even before you request it!

Events happen everywhere

AVIWEST has partners all around the world to provide full services (transmitters, local SIM cards, batteries, chargers and other services as cameras, crews, etc).

Video transmission has to be secured

AVIWEST's SafeStreams® technology bonds cellular as other IP networks to broadcast live from anywhere in the world to your MCR or to any CDN or social networks (FaceBook, Youtube, etc).

Cash has to be saved

AVIWEST optimizes your video transmission costs using open IP networks.

Tell us what you need, we will take care of it for you!
Choosing AVIWEST is the right solution to cover your event!
